Notice to Mariners

No.01 /2026

Diver survey and Split Pipe Application

AC1 Segment C – inshore Reef – Sennen Cove Cornwall UK

NOTICE IS HEREBY GIVEN that on the 25th May 2026 Seawide Services Ltd. will be carrying out underwater inspection and installing cable armouring on the AC1 cable. These works are expected to be completed within 3 weeks – weather dependant.

- All vessels in the area are required to give the DSV “Boy Brendan” a wide berth of at least 100m with minimal speed and wash.
- Vessel masters are required to contact the DSV “Boy Brendan” on VHF Ch 17/16 for any other restrictions and when approach / passing her.
- Small craft and swimmers are also required to comply with the above

This notice will be active until the works have been completed and a following closing notice has been issued.

Thank you for your cooperation.
